An applicant for designation shall be designated notwithstanding the limitation in this paragraph of this subsection if it demonstrates that:

(i) It has or expects to receive a combined total of \$120,000 in funds or services for the first year of the 2-year designation period from JTPA and other human resource development programs, including but not limited to those providing for employment, education, vocational education, health, social or similar services; or

(5) *Consortium grantees.* The Department may designate as a Native American grantee a consortium of any of the types of grantees described in paragraphs (c), (1), (2), (3), and (4) of this section which may or may not be independently eligible. The consortium agreement shall be signed by an official or officials of each member of the consortium authorized to enter into a binding consortium and shall specify that each member shall be liable jointly or separately for claims established against the grantee. Additional standardized requirements for consortium agreements will be communicated to grantees under separate order.

(e) In the situation where the Department does not designate Indian tribes, bands or groups or Alaska Native groups to serve such groups, the Department shall, to the maximum extent feasible, enter into arrangements for the provision of services to such groups with other types of section 401 grantees which meet with the approval of the Indian tribes, bands, groups or Alaska Native groups to be served (section 401(d)). In such cases, the Department shall consult with the governing body of such Indian tribes, bands, groups or Alaska Native groups prior to the designation of a Native American grantee.

(f) In designating Native American grantees to serve groups other than those in paragraph (e) of this section, such as nonreservation Indians and Native Hawaiians, the Department shall, whenever feasible, designate grantees which are directly controlled by Indian or Native American people. Where it is not feasible to designate such types of

grantees, DINAP shall consult with Indian or Native American-controlled organizations in the area with respect to the designation of a Native American grantee. Where a private nonprofit organization is designated, DINAP shall require any such grantees not directly controlled by Indian or Native American people to establish a Native American Employment and Training Planning Council and to implement an Indian preference policy with respect to hiring of staff and contracting for services with regard to all funds provided pursuant to this part (sec. 7(b) of the Indian Self-Determination and Education Assistance Act).
